

Subject: Art

Date of Monitoring: 27.1.2020

Term: Spring 1

Management Team SL: KMM

Governor/s: DB, HW, VE

Monitoring Criteria:

- Meet with Subject Leader/s ✓
- Discuss current status of subject ✓
- Discuss development to date, exploring action plans, subject leader file, yearly over view and mid-term plan - ✓
- Explore children's books

Examples of good practice: brief notes

* Everybody follows whole school plan devised by SL.

Global / Curriculum / Art folder / Art whole school plan - accessible to all.

* Split to Year groups - general skills - ie, painting / drawing / printing / textiles / 3D form

* Also in Art file - Art ideas for each year group →

* Discussed - Do teachers need to prepare medium term plans?

* To date - discussions re medium Term Plans.

* Action Plan - updated Sept 2019. Most actions ongoing.

Have held 1 internal art exhibition, 2 more to be held throughout the year.

* Subject header file - in global - in progress.

* Seen Yearly overview - see above re medium term plans.

* Children's Books → Sketch books → discussed work needs

to be dated and clearly marked which year group →

Need to see link of starting point and end product.

Areas for development: Whole school or individual teacher - 3 maximum

- * All work needs to be clearly labelled - date of work and books clearly labelled with your group.
- * ENSURE there is a link between starting point in sketch book and end/finished product.
