How we elect our Governors

- *Parent Governors:* A letter is sent out to all parents when a parent governor vacancy arises. Parents are invited to nominate themselves for the role and must include two sponsors. If more than one nomination is received, all parents are invited to vote for their preferred choice. This person will then be elected to the governing body.
- *Staff Governors:* When a vacancy arises for a staff governor, members of staff are invited to nominate themselves for the role and must include two sponsors. If more than one nomination is received, all staff are invited to vote for their preferred choice. This person will then be elected to the governing body.
- *Co-opted Governors:* When a co-opted governor vacancy arises, the governing body will approach someone from the local community with the desired skills for the role.
- *Local Authority Governor:* A local-authority nominated person is appointed by the board.
